

Chatham Islands Photography Tour

11 September – 18 September 2020
Ex Wellington, New Zealand

Experience 8 days in one of New Zealand most remote and unique places, The Chatham Islands.

A photography based trip with plenty of time to shoot at your own style.

There will be experienced photographic Tutors to assist you to extend your skills and understanding of the art of capturing this wild, remote piece of the world.

Visit up to 3 locations in a day without the rush of the normal tourist tour.

- See the first sunrise in New Zealand (and the world) for the day
- Visit historic early settlers locations
- Experience the culture of the first inhabitants and their descendants, the Moriori, at the local Marae and see the remnants of the 600 years of their civilisation over the island
- Explore New Zealand's own geographic wonder of Basalt Columns (Think Giant's Causeway in Ireland)
- Unique wildlife and fauna
- Numerous shipwrecks
- Local fishing villages and industry
- Unique archaeology and fossils
- Stunning landscape and sea view
- Explore the other Waitangi township
- Meet the local characters of this region
- Evening photography sessions to share the days images
- Workshops and technical discussion lead by tutors
- Morning briefing of planned locations

Optional activities (at own cost) include Deep Sea Fishing, Day trip to Pitt Island

Be joined by

- Your tour leader
- Local Chatham Island guide
- Experienced photographic tutors
